## About 800score.com

An "800" is the highest possible score on the GMAT. At 800score, our mission is to make the best test preparation available at affordable prices, so that any student can have a fair chance of getting their highest-possible score and getting into the graduate school of their dreams.

We have helped over 100,000 students since 1999, making us the most popular online test preparation company for grad students. Our tests are licensed by dozens of GMAT classroom courses worldwide.

800score developers have all scored above the 99th percentile — many have scored perfect 800's — and have attended schools such as Harvard, Yale, MIT and Oxford. Several of our New York City GMAT developers make over \$150/hour tutoring to investment bankers and other professionals trying to get into elite business schools.

We offer their expertise as part of our course along with exclusive strategies developed by 800score over the last 8 years. Our developers work with the 800score vision to make this unique product as affordable and well-made as possible.

800score has a history of leading innovation in the test prep field.

- Our exclusive test-pacer training system is built into all of our tests and teaches you the complex pacing for GMAT CAT interactively.
- We developed unique flash explanations for our most complex and hard to understand GMAT questions. [View a sample.](#)
- We developed online timed practice essays so that you can practice under real conditions and send in essays for grading and feedback.
- Our GMAT CAT tests lead the industry in ease of use and functionality.

Our privacy policy (*never to send spam and always to respect the highest standards of privacy*) has been certified by Truste. We use a VeriSign secure site for ecommerce encryption technology.
